## Trammell Crow & CBRE

Trammell Crow Company (“TCC”), founded in 1948, is one of the nation’s leading developers and investors in commercial real estate. TCC has developed or acquired 2,800 buildings valued at nearly \$70 billion and over 625 million square feet. As of December 31, 2021, Trammell Crow Company had \$18.5 billion of projects in process and \$9.3 billion in its pipeline. It employs more than 650 professionals in the United States and Europe.

Over the last decade, TCC has developed over \$3.8 billion of Laboratories, Life Sciences, and Healthcare real estate, totaling more than 15 million square feet. From master planning to development and ownership, our comprehensive and creative lab, life sciences, and healthcare real estate services provide our clients with valuable solutions.

TCC develops purpose-built life science facilities to provide best-in-class space for life science tenants ranging from research and development to contract manufacturing in the markets it serves. Leveraging its understanding of the unique dynamics of a thriving life science ecosystem, Trammell Crow Company’s amenity-rich Class A lab and office buildings are designed to provide opportunities for collaboration and

foster discovery and innovation. TCC brings more than life science expertise, but also local market intelligence to work with local authority figures, first-class consultants, and well-endowed general contractors to provide well-executed projects that deliver on time and within budget.

As the nation’s leading commercial real estate development and investment firm, we recognize the impact Trammell Crow Company has on providing industry leadership that grows in socially responsible ways. We are committed to developing healthy communities and actively addressing environmental/sustainable, economic, health & wellness, social, transportation, and governance impacts – aligning our projects to the interests of the communities in which we develop, our stakeholders, investors, clients, and employees.

TCC is a wholly owned and independently operated subsidiary of CBRE (NYSE: CBRE), a Fortune 500 and S&P 500 company headquartered in Dallas, and the world’s largest commercial real estate services and investment firm (based on 2021 revenue). Locally, TCC has been active in the Washington, DC region for more than 50 years. For more information, visit [www.TrammellCrow.com](http://www.TrammellCrow.com).
